Thank you. I forwarded your email to the EPA On-Scene Coordinator, specifically stating that your clients do not want EPA to provide their water to PADEP and Cabot.

Humane,

Pursuant to our conversation, although we all welcome the EPA's team for sampling, the following property owners do not want to have the PADEP or Cabot test or have split samples:

Ex. 6 - Personal Privacy

This will be the case until further notice. I can be reached at this email, my cell at 917-545-5813, or at the office at 212-267-3700. Either yourself or your field team is free to contact me at anytime if I can be of assistance.

Thank you.

Regards.

Tate
